**Artwork Approval Terms**

- Please check the artwork according to your requests.
- Please review all contents of the artwork(s) thoroughly. Once approval has been given, the artwork(s) will be printed exactly as approved.
- While every effort is put into the accuracy of each design, any errors or mistakes not raised by client during the approval phase cannot be held responsible by AC designs.
- We are only liable for responsibility when the product does not match the description at time of order or if the artwork does not match the approved draft.
- To approve shown artwork, please sign in the signature box and return Approval Sheet to us. An email approval can be used to replace a signature.
- Further revisions after depleting remaining revisions may incur in an additional fee per additional revision. What counts as a revision is under the discretion of AC designs.
- To conserve the use of remaining revisions, please clearly and specifically advise what you would like changed altogether in a single written document.
